Continuing Education Requirements

As of July 2024, all BlazeSports certification holders will need to renew their certification through the following process:

- Annual \$75.00 fee. A reminder will be sent to your email regarding your renewal, please login into your teachable account, answer the questions and complete your payment for an updated certificate.
- Proof of Continuing Education- Once per year, certification holders will be selected at random to complete an audit. If you are selected, you will need to email proof of your continuing education to Dawn Churi at dchuri@blazesports.org within 4 weeks of being notified to keep your certification active.
- If you are selected for a continuing education audit, here is the following details that you need to submit based on your certificate:

CARSS 1 & 2	8 hours of related continuing education in physical activity, inclusion, sport or other closely related field. Completion certificate, grade or other proof of attendance will be accepted.
CASC	8 hours of related continuing education in coaching, physical activity, inclusion, or adaptive sport development. Completion certificate, grade or other proof of attendance will be accepted. 40 hours of direct adaptive sport coaching will also be accepted.
CASI	8 hours of related continuing education in aquatics or 40 hour of direct adaptive swim instruction.
